It was a cold September night and little Della Santianni was awaiting, her father's arrival. When Del Santianni arrived home from his job as a muggle "Motorcycle Cop" to 3 Privet drive, he noted that a large black dog was sitting on his front step. "To whom do I owe the pleasure of this visit to?" Del calmly asked the dog. "Please, come inside Padfoot." Padfoot the dog walked in the house and was promptly knocked down by a small girl of no more than 4 years of age. "Sirius, Sirius I knew you would come I knew it!" screeched Della as Sirius transformed into the Wizard that he was. A single "Hello," was all Sirius could get in before he was forced down to the ground again by the toddler that had attached herself to his ankles. Sirius said, "Help me" as he tried to detach himself form Della. Del bent down and managed to get his friend out of his daughters death grip. "Thanks Del" was muttered as Sirius rubbed the circulation back into his feet.

> <br> Later in the evening Sirius explained why he was there to Gina, Del and Maria then to Della he explained how he got there because Della knew nothing of magic. She knew nothing of magic. Della did not know that she was a pureblood Witch whose name was down for Hogwarts School of Witchcraft and Wizardry with Albus Dumbledore (Order of Merlin, First Class, Grand Sorc., Chf. Warlock, Supreme Mugwump, International Confed. of Wizards\_) presiding as Headmaster, Della did not know that she would be two years ahead of the famous

Harry Potter nor did she know that Sirius, a family friend, would be imprisoned for a crime he did not commit.

Two years later

Del read the Daily Prophet, shocked at the headline.

> <br> \*\*SIRIUS BLACK CAPTURED FOR MURDER OF PETER PETTIGREW, JAMES AND LILY POTTER!

> <br> \*\*Del read the article:

> <br> Sirius Black, has been captured and is being held for the murder of James and Lily Potter. Black is believed to be in the Dark Lord's inner circle. Black was found in the middle of Gringle Ave. laughing hysterically after he murdered Peter Pettigrew. The Minister of Magic was quoted to say "Black is mad. He's a danger to anyone who crosses him, magic or muggle." Black was the Potter's secret keeper after they performed the fidelius charm.
